

"Learning to lead in a technical world."

The Technology Student Association is a national student organization created to develop skills in science, technology, engineering, and mathematics as well as business education. TSA aims to develop leadership, academic, and business management skills in the workplace among students and leaders within the community.

Meetings will be held on Thursdays every week
starting on October 22nd from 4:00 to 5:00
Email Mrs. Lynch for any questions at lilynych@lwsd.org
